# QUICK DOTS

How many dots? Look fast - do not count!

|                                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                                       |
